

## Peer Review Feedback Form

---

**Delivery.** Is the delivery clear and accessible?

**Board work.** Is the board independently meaningful? Is it organized linearly and logically?

**Structure.** Is the motivation effective? Are there clear objectives? Does the lecture consist mainly of examples? Are the examples well chosen?

**Interaction.** Is the entire class addressed? Does the instructor ask enough questions? Does the instructor give good answers to questions?

**Content.** Is the mathematics correct? Are the choice of material and level of difficulty appropriate? Are concepts emphasized in addition to techniques?
